

Train The Model On IBM

Register For IBM Cloud

The screenshot displays the IBM Cloud dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user profile (PRIYADHARSHINI S's ...). Below this, the main dashboard area features a 'Dashboard' header with options to 'Edit dashboard', 'Upgrade account', and a prominent 'Create resource' button. The central section, titled 'For you', presents a carousel of recommended actions: 'Build' (a large blue box with text about easy starter tutorials), 'Set up your IBM Cloud account' (10 min), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), and 'Build a Virtual Private Cloud (VPC)' (7 min). Each action card includes a 'Getting started' button and a duration. The bottom of the dashboard shows a 'User access' section with links to 'Manage users', 'News' (with a 'View all' link), and 'Planned maintenance'.
